## Your way to Helpsen by

### Autobahn 2 Dortmund - Hannover Exit 33 / Porta Westfalica

On the B 482 in the direction of Nienburg. After approx. 8 km turn right onto the B 65 in the direction of Bückeberg and Stadthagen. Past Bückeberg, through the villages Vehlen and Gelldorf. Sülbeck at the height of the church (located on the right hand side), at the traffic lights turn left in the direction of Stemmen and Kirchhorsten.

Follow-up:

Stay on this road. After approx. 3 km, follow the road to the railway overpass (do not turn right to the train station). You can reach our **test and innovation center HAUTAU PIZ** by turning left into Wilhelm-Hautau-Straße. Here you will also find our registration. **To plant 1** follow the road over the overpass. They drive directly to the main building.

### Autobahn 2 Dortmund - Hannover Exit 35 / Bad Eilsen

Turn left towards Bückeberg. After 1.5 km at the traffic lights turn right in the direction of Bad Eilsen. Through the villages Bad Eilsen and Ahnsen in the direction of Vehlen. In the village of Vehlen you come to the B 65. Turn right in the direction of Stadthagen. Through the village Gelldorf. Sülbeck at the height of the church (located on the right hand side), at the traffic lights turn left in the direction of Stemmen and Kirchhorsten. Follow-up:

Follow-up:

### Autobahn 2 Hannover - Dortmund Exit 38 / Bad Nenndorf

Turn right in the direction of Stadthagen (B 65). Shortly before Stadthagen, immediately after an underpass, turn right onto the bypass towards Bückeberg and Minden. Drive the ring road to the end. Turn right again in the direction of Bückeberg. Through the town Nienstädt. In Sülbeck at the traffic lights (left above church) turn right towards Stemmen and Kirchhorsten.

Follow-up:

## Your way to Helpsen by

You can also reach us comfortably by train. Kirchhorsten station is directly adjacent to our main building, Werk 1. A short walk will take you to PIZ in a few minutes.
